

Location Checklist

This list is considered during location scouting and approved by the producer.

- Parking Space? Distance to set?
- Electric power 220V available?
- Restrooms?
- Changing room for models?
- Retreat in case of rain?
- Save place to store gear?
- Drinks, food, snacks available?
- Where is the sun at the time of shooting? Where is it going to set?
- Can the models pose conveniently?
- Mosquitoes, bugs around?
- Temperature at location?
- Is it a public place? Viewers / spectators expected?
- What permits are required?
- Can we play music?
- Can we get in conflict with somebody?
- What are the exact positions for your shooting?
- Make sample photos! Outdoor also good exposures of sky, greenery, rocks, other elements in case you might need them for compositions later on.
- **Finally: Is the location really suitable?**
